**TRANSFER OF JURISDICTION REQUEST**

Dear Judge Tydingco-Gatewood:

On September 3, 2003, Charlie Frances Lizama was sentenced in the District Court of Guam to a 30 month term of imprisonment followed by a five year term of supervised release for the offense of Possession of Methamphetamine Hydrochloride with Intent to Distribute, in violation of 21 U.S.C. § 841(a)(1). On January 18, 2006, Mr. Lizama began his term of supervised release in the Western District of Washington. On July 24, 2006, supervised release conditions were modified by the Court to include that he refrain from any unlawful use of a controlled substance and submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.

On November 28, 2006, this Officer received a letter from the Western District of Washington, U.S. Probation Officer Angela M. Peru, requesting a transfer of jurisdiction for Mr. Lizama because he is in violation of the terms of his supervised release. Specifically, on August 28, 2006 and October 30, 2006, Mr. Lizama submitted urine samples positive for methamphetamine, and has subsequently been referred to substance abuse treatment. Based on his continued drug use, the Western District of Washington is requesting a transfer of jurisdiction at this time.
